Dear Citizens of the City of Hardin,

The City of Hardin is committed to maintaining transparent, secure, and respectful public meetings.

After careful consideration, the City of Hardin has decided that effective April 21, 2026, Zoom will no longer be used for public meetings or public comment.

We understand that remote access is important for accessibility. Therefore, this is not a permanent end to virtual participation, as the City realizes there will be instances when virtual attendance is required to provide efficient and effective meetings.

**How to Participate Moving Forward:**

The City invites citizens and stakeholders to participate in the following ways:

- ***In-person Attendance:*** Meetings will continue to be held at 401 N Cheyenne Avenue, with a Regular Meeting start time of 6:30 p.m. In-person meetings remain the most direct way to engage with council members.
- ***Public Comments:*** Public comments may be submitted via email or in person at 406 N Cheyenne Ave, until Wednesday's preceding council meetings at 3 p.m.

We apologize for the inconvenience this transition may cause and appreciate your understanding as we prioritize security and functionality.
